

MDI Murshidabad: The Business Schools for Thought Leaders and Change Masters

Management Development Institute, Gurugram, is a premier management School in India, consistently ranked amongst the top Business schools of the country. MDI's Vision is to be in the league of top 50 Business Schools of the world. **MDI has launched its second campus at Murshidabad in West Bengal in 2014.** The foundation stone for the institute was laid on 31st October, 2010 by Shri Pranab Mukherjee, the then Hon'ble Union Minister of Finance, Government of India at Jangipur, district Murshidabad, West Bengal. With an intention to impart management education and groom young graduates to become global leaders, Management Development Institute (MDI), launched its Murshidabad campus in 2014. The campus of MDI Murshidabad is located in the northern part of the State of West Bengal.

MDI Murshidabad (MDIM) is a young business school which aims to create a positive impact on people, companies and society. In a short period of time through the in-house and open Management Development Programmes on various themes conducted by faculty, MDI Murshidabad has been able to build its image of quality. In August 2014, MDI Murshidabad commenced its full time residential Post Graduate Program in Management (PGPM). The establishment of this prestigious institution in the eastern economic region was in fulfilment of certain academic and visionary objectives while keeping in view the high standards of professional education, training and skills that a reputed B-School like MDI would usher in its wake. MDIM prides itself in not only providing Management Education but also developing ethical corporate citizens for tomorrow's India.

The Murshidabad Campus has been making significant strides since inception. Classes for the first batch (2014-16) of students of the Post Graduate Program in Management (PGPM) had commenced since August 2014, with three more batches entering MDIM portals over successive years. Being a new campus, MDI Murshidabad's present take-off course with **120 sanctioned seats**, is its most popular 2 year PGPM in Business Management, approved by AICTE and offering 4 major areas of specialization, viz. HRM, Finance, Marketing and Operations, with their respective sub-electives. With its magnificent rural landscape, the campus, spread over 10 acres of greenery with state of the art infrastructure and facilities, attracts students pan India. MDI Murshidabad proposes to add on new programs in connected fields over consecutive years, with the principal thrust being towards procreation and development of innovative courses through domain integration and with the idea of infusing a definite purpose and meaning towards its existence and identity.

Along with MDIM core faculty, professors of MDI Gurgaon uniformly visit Murshidabad campus for academic mentoring and integration. Distinguished personalities across India in the field of academics, industry, business, government, international relations, etc. frequent MDIM campus at regular intervals to address MDIM students and build a robust interface between the Industry and Academia. **Placements for first and second batch of passouts have been phenomenally successful at both Internship and Final levels** with some of the top organizations providing ready employment across various sectors. MDI Murshidabad aspires to further leverage these developments along with the legacy of the MDI brand towards higher achievements in multiple spheres.

Management development programs (MDPs) and other training and skill development initiatives are also featured regularly in the campus calendar. Executives, trainees and officials receive open as well as customized knowledge through these programs which are of varying duration.

Research is an important constituent of MDI's vision and mission. The entire academic community is research active and carries out research work of consistently higher standards that can contribute to the national goal of innovation, socio-economic development and environmental sustainability.
