PLACEMENT BROCHURE
PGDM 2022-2024

REACHING HEIGHTS

BEYOND BOARDROOMS

With an intention to impart quality management education, nurture talent, and groom them to become future thought leaders and change masters, MDI Murshidabad was inaugurated on 24th August 2014 by Late Shri Pranab Mukherjee, the then Hon'ble President of India. The vision behind extending the MDI brand was simple; we did not intend to be a part of a herd rather we desired to raise lions of the corporate jungle. MDIM inculcates the idea of becoming an epitome of courage, integrity, and foresightedness among its students. The batch of 2022-24 is a perfect blend of grit, trailblazing and intuitiveness. We encourage them to think beyond job positions and status and undertake every task with zeal. With the valediction of the current batch, MDIM intends to provide not only leaders but also visionaries who will contribute to society.

PLACEMENT PROCESS

PRE-PLACEMENT TALKS (PPT)

PPTs provide a platform to facilitate interaction between students and companies, so that both can find the best match according to their aspirations and requirements. For effective communication, the latest technical equipment can be made available on campus on request. The campus also has video conferencing facility. The dates for the PPTs can be obtained from the placement Office. We value any company taking some time out to get to know our students better, and giving an opportunity to our students to know more about the company in turn.

PRE-PLACEMENT OFFER OR PPO

A pre-placement offer or PPO, post the summer internship, is a much cherished job offer before final placements. An exposure of 8 weeks gives both the organization and the student an opportunity to gauge each other's compatibility. The firms can communicate to the institute, their decision to offer the PPOs before the Placement Week commences. However, in the event that the company does not have any internal rules governing this process, the students' decision will be communicated to the company either after the Placement Week is over or at its assigned time slot during the Placement Week.

LATERAL AND FRESHER RECRUITMENT

The institute does not have separate lateral and fresher recruitment process. Hence, both processes commence simultaneously and run during the placement week of the institute.

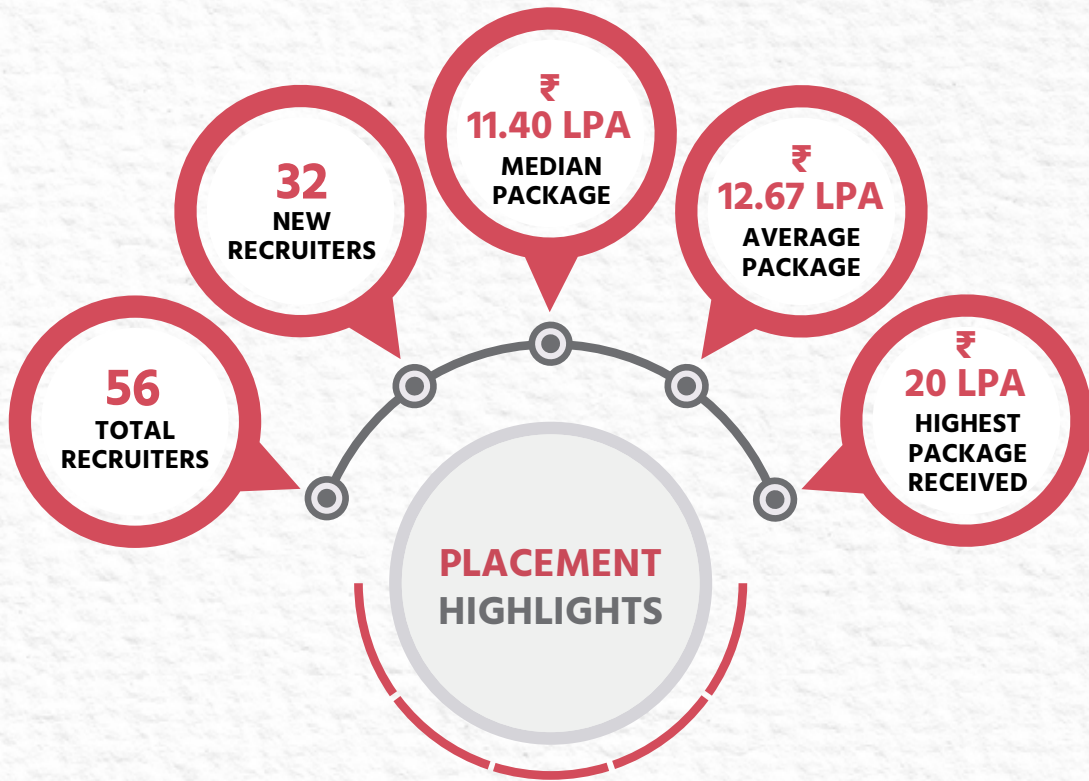

CV

The institute follows a standard format for all the students applying to various companies. A company can place a request for the CV's in the institute's format for any other specific format, in hard or soft copies as desired.

PLACEMENT HIGHLIGHTS (PGDM- BATCH 2021-23)

The placement season saw participation from a total of 56 recruiters in various domains such as Strategy, Finance, Marketing, Human Resources, and Supply Chain & Operations.

Final Placements for the academic year 2021-23 have once again affirmed the faith of the industry in the students of MDIM. The students of MDIM also received PPOs from various reputed companies across different domains. We are extremely obliged to all our stakeholders including our honorable Director, Prof. (Dr.) Atmanand, PhD., faculty members, alumni students, staffs for ensuring record-breaking placement figures.

The other sectors were automobile, energy, telecommunication, manufacturing, and supply chain. The continuous faith of the recruiters have helped this Institute achieve greater milestones.
