

SUMMER PLACEMENT REPORT

BATCH 2025-2027

“Where ambition meets opportunity”

DIRECTOR'S FOREWORD

“

Dear Industry Leaders and HR Visionaries,

In today's volatile business environment, organizations need more than just skilled professionals—they need adaptive leaders who can navigate complexity, drive innovation, and inspire teams with purpose.

At MDI Murshidabad, we are committed to nurturing such leaders—individuals who combine academic rigor with emotional intelligence, strategic thinking with ethical grounding, and ambition with a sense of collective responsibility.

Our students are meticulously trained to excel in a hyper-competitive world. Through a blend of experiential learning, industry immersion, and leadership development, we prepare them to add value from day one. Whether it's digital transformation, sustainable business practices, or inclusive leadership.

In an age where AI rewrites rules overnight, survival hinges on talent that thrives in ambiguity. MDI Murshidabad's pedagogy is designed to breed such mavericks—critical thinkers who ask 'why not?' before 'why,' and 'what if?' before 'what's next.'

To our corporate partners, I extend a collaborative vision: **"A Responsible Manager for a Better World"**. By engaging with MDI Murshidabad, you gain access to a talent pool that embodies resilience, creativity, and a solutions-driven mindset. We invite you to explore synergies—through campus recruitment, live projects, or leadership dialogues—that align with your organizational goals.

The future belongs to those who invest in human potential. Join us in unlocking it.

Let's co-create ecosystems where curiosity meets execution, and ideas meet impact.

”

Prof. (Dr.) Arvind Sahay
Additional Charge of Director,
MDI Murshidabad.
